Cem Brick Manufacturers (Pty) Ltd

24-Hour Delivery Policy

Cem Brick Manufacturers (Pty) Ltd (The Company) will deliver to pre-arranged, pre-approved clients (The Customer) with fully settled payments or up to date credit facilities within a 24-Hour period within a 20-kilometre radius of Bloemfontein.

Failure on the Company's behalf for the non-delivery or failure thereof for goods/consignment purchased by The Customer, within the 24-Hour period can result in a credit of the delivery charges except for the following circumstances, Acts of God, Force Majeure, riots, strikes, fire, accidents, government restrictions and lockdowns and negligence of carriers, or any other cause of whatsoever kind beyond the Company's control.

The 24-Hour Delivery Service applies to any and all purchases made Monday to Thursday.

Fridays, Saturdays, Sundays and Public Holidays do not apply and are subject to 72-hour delivery lead-time.

Minimum purchase volumes are required for 24-Hour delivery and these are:

- 1) Minimum of one pallet and a maximum of ten pallets of concrete building bricks, concrete paving bricks and concrete roof tiles. In the case where the purchase includes bagged cement, the purchase in this case is a minimum five bags and a maximum of eight pallets and or 320 bags. Standard Company pallets sizes apply

Liability by the The Customer is defined in our Standard Terms and Conditions that appear on the rear of the delivery note.
